

2100

Walkaround

Whitley's Clearwater 2100 Walkaround is designed with both fishing and family boating in mind, and strikes a particularly effective balance between convenient walk-around access and roomy cabin accommodation.

It has a foam reinforced hull, self-draining cockpit (while underway), a five-year hull warranty and a one-year warranty on all other parts. The cockpit features twin pedestal bucket seats (driver's seat adjustable), tilt-adjustable steering with a stainless steel wheel, driver and passenger side storage, glass windscreen, radio and CD player.

Comfort and convenience items include a fully-carpeted interior, comfortable cushioned cabin bunk, in-fill and under-bunk storage, interior and cockpit step lighting, twin rear coaming seats, Porta Potti and lockable acrylic cabin door.

Comprehensive fishing equipment includes a flush-mounted tackle box, three-rod storage, in-floor kill tanks, ice box and live bait tank. This stable craft delivers the style and performance that boat buyers expect from every boat bearing the Whitley name.

SPECIFICATIONS

Max no of persons	6	
Hull Length	6.1m	20.02ft
Beam	2.36m	7.74ft
Boat Weight (standard configuration)	760kg	1670lbs
Fuel Capacity	225lt	58Gal
Maximum Permissible Power of Outboard Motor	225Hp	
Maximum Permissible Weight of Outboard Motor	235kg	517lbs
